

DISCUSSION ASSIGNMENT

The text defines management as “The art of getting things done through the efforts of other people.” Put yourself in the shoes of a manager and explain what this definition means in the context of a company operation. You can use the example of any company (large or small) and any good or service.

Please answer in 150 words or more. Use your own words - please do not copy and paste from a website. Be sure to reference your sources.

Then, engage in a dialogue with your classmates on the above question and any other perspectives you have on the above topics. You are expected to make at least three response posts to the discussion board during the course of the discussion period and rate your classmates' posts.

Don't forget to rate the postings of your classmates according to the Rating Guidelines. Review the Discussion Forum rating guidelines to see how your classmates will be rating your post.
